

Eco Shine Solar Panel Cleaning - Tauranga

Phone: 022 035 2494

Eco Shine Solar is a trusted solar panel cleaning and maintenance company working across Tauranga and the Bay of Plenty. We provide professional solar panel cleaning services, detailed maintenance inspections, and solar panel bird proofing with durable bird mesh. Founded by brothers Edwin, Sam, and Ben, our family-run business now partners with top solar installers across New Zealand. Whether it's a home, commercial roof, or solar farm, we use industry-proven equipment and techniques for reliable photovoltaic panel cleaning tailored to your setup. Contact
