Since 2008, our remit has been to help bring dreams to life for local people in need, or those less fortunate. During this time, Dream Catcher has touched hundreds of lives in the Isle of Man.OUR STORY
Welcome to Dream Catcher, one of the most special charities you'll find anywhere! Originally started by Manx Radio in 2008, our remit was to make a difference to people who needed support: 'to help bring their dreams to life'.
Over the years, this remit has evolved and Dream Catcher is now an important organisation that has touched hundreds of lives in the Isle of Man. We do not give donations of money, but rather respond to requests for products and services. It is these 'gifts', no matter how large or small, which really do make a huge difference.OUR MISSION
We see an important future for Dream Catcher. A future where we continue to support good causes and help make a difference to local people's lives.
As always, our mission will be to offer support to those less fortunate, or to local good causes that help our community, striving to be the charity which can assist those unable to find support elsewhere.TEAM
One of Dream Catcher's strengths is in the diverse team, with years of business and

charitable expertise to call upon – plus the connections to make things happen.AMBASSADORS

Our work is incredibly varied and touches many people’s lives. Here you can see a selection of the causes we have supported, thanks to your donations and those of our corporate supporters. Please note that this is by no means a full list of all the causes we have supported in the past. A lot of our applications come from people who would rather we keep our input quiet so we can’t always publicise these gifts. We might not be shouting all about it, but be assured we are always working behind the scenes to help improve lives!
