

Beige Curtains

United Kingdom

Beige Curtains□Size Selection□ There are 2 pieces of curtains per pack. Each: 90x90 inch (width x drop). The height is measured from the top of the fabric. Please measure your window size and compare with the size recommended in the main picture before ordering! □Fine Design□ There are 8 eyelets, the inner diameter of which is 4cm. They are suitable for most curtain rods. You can simply hang and slide it on the curtain rod. It's perfect to use them in your bedroom or living room to help you sleep well and stay energetic all the time, if you often work night shifts, then you must have them! □Practical and Stylish□ The curtains are opaque and protect your furniture and floor from sunlight and reduce noise. They keep the room warm in winter and insulate the outside heat in summer. Please choose the color of the curtain according to the decoration style of your house, it will be a functional decoration and tie your room together. What's more, they also provide you with absolute privacy!
