Vera's Posh Paws mission is to provide a clean, fun, safe environment for your four legged family members while you are gone for the day, overnight, or for an extended period of time. Your pups reap the benefits of exercise and socialization while having lots of fun romping & playing with their furry friends. And you receive peace of mind knowing your four legged family member is well taken care of while you are away. Your pet is a part of your family, and we want them to be a part of ours too.
