From our early beginnings, we have been busy making Hampton Park Shopping Centre newer, fresher & more exciting for you. We now have grown to include new shops, new toilets & a baby change area for you. All complemented by our newly landscaped gardening and modern LED lighting.

So why not come down and visit some of our new shops: Australia Post, Tattslotto, Sugar Buns Bakery Café, Joe's Mochapot Café and while you are here, pick up some fresh meat from our local butcher, groceries from Woolworths, or liquor from BWS.

Need something on the go? Check out Mimo's Pizza, Kayo Sushi or Red Rooster. Get a fresh look at Raj Hairdresser or at Tommy Tommy Pisey Hair & Beauty...Website: <https://hamptonparkshoppingcentre.com.au/>
