From humble beginnings, Flooring Surgeons has been founded on a decade worth of hard work, consistency and drive. With over 10 years of extensive experience in the field, we are known as the 'surgeons' when it comes to Floors. We specialise in the highest quality of flooring and consistently aim to provide our customers with the best possible service, but also with the best possible price on all Laminate,

Engineered, LVT, Luxury Vinyl and Herringbone floors!Website:
